BJA SCHOLARS

Instructing our boys and girls is a **partnership** between **Teachers** and **Parents**, placing our **Scholars** at the center for **success and growth**.

Our Scholars should always be reviewing work at the end of the school day, and weekends, *whether assigned by the teach, or not.*

- Metro discount cards are available in the office.
- BJA uses text, voice and emails to alert and communicate with families
- **After Care on Friday ends at 3:30 PM. We need you to be on-time.**
- School begins promptly at 8:30 AM. Tardy students struggle to catch up. Please consider it an urgent matter that your child arrive on time.
- We have begun to impose consequences for out of uniform scholars. Kindly adhere to our program. Thank you to families who have made the adjustment.

Family teamwork

Avoid excuses...Does your scholar have an excuse for everything? Maybe he didn't get a permission slip signed and says, "You weren't home when I had it out." Make it clear it's his responsibility to find a way to get things done. Discuss what he could have done, such as leaving the paper on the kitchen counter with a note or putting a reminder in his planner to get it signed.
