Parent Tip

Which group am I in?

As your child gets older, you may notice him/her placing more emphasis on how he fits in with peers. Explain that it's natural for youngsters to form groups, but it's nice to be friends with a wide variety of people. For example, he might have different friends in class, friends from soccer, and neighborhood friends.

1 Cor. 12:27 NIV

*Now you are the body of Christ,
and each one of you is a part of it.*

Worth quoting

*"You can observe a lot
just by watching."
